EXECUTIVE SUMMARY

Your business model, timeline, and targets at a glance

THE BUSINESS MODEL

You sell SEO services to garages. You hire freelancers to execute the work.

Your role: Sales, client management, quality control.

Freelancers' role: On-page SEO, Google Business Profile optimization, citations.

Revenue model: Charge client AED 500–2,500/month. Pay freelancer 40–50% of revenue.

Scale model: Once you have 5 clients on Starter/Growth, hire your next freelancer.

YOUR TIMELINE

- Weeks 1-2: Foundation. Print materials. Start outreach.
- Weeks 3-4: First client & freelancer. Test the process.
- Weeks 5-8: Scaling. Aim for 3-4 clients total.
- Weeks 9-12: Testimonials & finishing. Hit 5-client target.

YOUR COMMITMENT

Time: 10-15 hours per week (less than 2 hours per day)

Investment: Zero upfront. Bootstrap from first client.

Risk: Low. You're reselling proven services in a specific niche.

Growth potential: Very high. 5 clients = AED 2.5K–4K/month. Scale to 20+ easily.

PRICING STRATEGY

Charge clients. Pay freelancers. Keep the margin.

AED 500–700/mo	AED 1,000–1,200/mo	AED 1,800–2,500/mo
Your margin	Your margin	Your margin

7 CRITICAL SUCCESS FACTORS

1. PHONE CALLS

Don't rely on WhatsApp. Call warm leads. 2 minutes = deal.

2. WALK IN

Face-to-face beats digital. Garage owners trust what they see.

3. SHOW, DON'T TELL

Google their name on your phone. Let the screen do the talking.

4. CLOSE HARD

Ask for the sale. 'Ready to start? Let's sign.'

5. DELIVER FAST

Your freelancer's quality = your reputation. Hire & manage carefully.

6. 50/50 SPLIT

50% upfront, 50% on delivery. Always. No exceptions.

7. OUTCOMES ONLY

Not 'on-page SEO.' Say 'More customers find you on Google.'

YOU'RE READY.

You have everything. The scripts, the pricing, the timeline, the strategy. All that's left is execution.

YOUR FIRST 24 HOURS:

1. Print 50 brochures (glossy A4 paper)
2. Set up WhatsApp Business account
3. Open your tracking spreadsheet
4. Pick 5 hot leads (no Google presence)
5. Send WhatsApp messages using the direct template
6. Schedule 2 garage visits for this week

THANK YOU SO MUCH!
